June 18/80

Dear Harold:

Wish I could help on Battle questions, but Elvis death anniversary coming and I'm loaded.

Wayne suggest these people who knew Battle:

Judge James. Beasley, was prosecutor

(Battle was asst. atty. gen. before being judge.)

Richard Ryan.

Bob Livingston (knows of Battle & Bible).

AP QUINCY, ILL.--John Larry Ray missing from federal custody since Feb. Warrant out charging him in $15,000 robbery of Farmers' Bank of Liberty on May 30. --AP, June 17, 1980.

Best,

Phil.
